

# Las Vegas Sightseeing Options

## **Neon Lights Tour** (evening)

Experience the spectacular water fountains and visit the Conservatory of the Bellagio, the majesty of Paris and Venice – see erupting Volcanoes at the Mirage and the famous “Welcome to Las Vegas” sign.

Make sure you wear comfortable shoes on this combination walking and driving tour, as we will leave the motor coach so you may enjoy, up close and personal, some of the city’s more interesting venues

**Cost: \$55.00**

## **Mini Hoover Dam Tour** (1/2 day morning)

Tour takes you along the winding and breathtaking road to Hoover Dam where you’ll have two hours to explore and plenty of time to take in the Power Plant Tour which is included.

Check out the museum and the exhibit areas, the power plant 500 feet down, watch a movie on the dam’s construction, and see Oskar J.W. Hansen’s renowned sculptures on the Nevada side commemorating the building of Hoover Dam, and, in his words, “The building genius of America”.

**Cost: \$60.00**

## **Grand Canyon West Rim with Skywalk Tour** (morning, full day)

Travel in air-conditioned comfort on one of our deluxe motor coaches as we make our way to the Hualapai Indian Reservation.

Upon your arrival you’ll have three hours to explore the amazing sights at your own will. Have your camera ready for some great picture taking opportunities as you take a leisure walk along the rim and see how Mother Nature carved an image of the Great Thunderbird into the cliff of the Canyon before you enjoy your buffet lunch at the Canyon’s edge. Included in your tour is the West Rim Skywalk excursion where you’ll be able to view the canyon’s bottom some 4000 feet below from the Skywalks Glass Floor. To avoid long wait times we recommend that you activate your Skywalk Ticket when arriving at the West Rim so that you can maximize your free time to explore all that the West Rim has to offer

**Cost (including lunch): \$159.00**

**Cost without Skywalk (including lunch): \$139.00**

## **Colorado River Raft Tour** (morning, full day)

Your Colorado River rafting adventure will begin at the base of the Hoover Dam. You can relax, and enjoy the sights as your river guide takes you on a slow float (11 miles) down the Colorado River. A complimentary boxed lunch will be provided when your raft rests along the shoreline, where you may see the river’s wildlife in their natural habitat and enjoy the desert scenery.

Your Colorado River rafting trip concludes in Arizona, where you will board your motor coach for your return trip to Las Vegas. During your ride back to Las Vegas, you’ll cross over Hoover Dam.

**Cost (including lunch): \$135.00**

**Lake Mead & Hoover Dam Combo** (morning, full day)

Along your scenic journey to Lake Mead you'll be exposed to the surrounding wildlife and beautiful desert vegetation the Las Vegas Valley has to offer. Upon reaching Lake Mead, you're off to what we consider to be what this tour is all about a wonderful scenic cruise aboard the Desert Princess. This excursion over the pristine waters of Lake Mead provides you with a one of a kind look at this amazing made-man natural wonder. Your one and a half hour cruise includes lunch and will expose you to the amazing scenery such as the Arizona Paint Pots, Boulder Island, Colorado River, and the surrounding volcanic rock of extinct volcanoes which surrounds the lake.

After your cruise aboard the Desert Princess you're off to one of the engineering wonders of the modern world "The Hoover Dam" We allow you plenty of free time to take in the included Power Plant Tour of the Dam, browse through the gift shops, or enjoy the exhibit

center and observation deck. We end your excursion with a stop at Ethel M's Chocolate Factory, now can you think of a more delightful way to finish off a trip.

**Cost (including lunch): \$92.00**

**Note:** Schedule of tours subject to change based on availability.

Please check the day you would like to take each tour selected.
